Helpful things in case of a disaster

In the event of a disaster or emergency, many everyday things may become unusable (Internet, Water, Sewer Systems, Electricity, Gas etc.) . Always have a radio ready to get information such as evacuation instructions, store a few days of non-perishable food, store these things in a bag for ease of access and use. (Check the Inagi City Disaster Prevention Map for details) .

Recommended Items for Disaster Preparedness

- Put into a 40L backpack:
- Handheld radio
- Medicine notebook
- Flashlight
- Gloves
- Masks
- Wet Tissues (Disinfectant etc.)
- Sports Shoes
- Raincoat
- Whistle
- Emergency Rations (Packed Food etc.)
- Water

Check the Disaster/Disaster Prevention Information Below

▼Standard Disaster Prevention Measures

We recommend the 'Inagi Disaster Prevention Map' which includes a hazard map and disaster prevention information

Search for 「Inagi Disaster Prevention Map」

▼Disaster Information

If there is a power outage, a handheld radio will be the only way to get evacuation information as the TV and internet will be unusable.

▼Disaster Message Board (Web171)

In the event of a large-scale disaster, you can confirm your safety and tell your family via this message board.

Let's Make Our Own Disaster Response Action/Emergency Plan <My Timeline>

When a disaster strikes, it is easy to become confused, anxious and unable to contact family. So, it is recommended that you make an action plan in advance of a potential disaster.

<Heavy Rain and Flooding Example>

Stage	What to do?	Where are you?
1.Early Warning Information	Check the news	Home • Work • School
2.Heavy Rain and Flood Information	Check evacuation route and place emergency items near the front door	Home • Work • School
3.Evacuation of the elderly etc.	Keep in touch with family members going to nearby shelters	Safe Relatives, Friend's House, Hotel, Evacuation Shelter
4.Evacuation Order	Evacuate to the 2 nd floor or other high area	
5.Ensure Safety in the Emergency	Prioritize saving your life	Home • Nearby

Means to save people close to you in case of emergency Let's take an emergency lifesaving class!

You can experience and learn how to use AED's and do CPR at a free seminar at the fire department. Please join us with your family and friends!

▼Workshop Info

You can also take free online classes.
